

HEALTH OCCUPATION PREPARATION AND EDUCATION (HOPE) PROGRAM

2022 – 2023

ANNUAL REPORT

HOPE & HEALTH SCIENCES MISSION STATEMENT

The SRJC HOPE (Health Occupation Preparation Education) Program is dedicated to advancing the success of underrepresented and first-generation students pursuing health care careers. We foster a sense of belonging by expanding diversity, equity, and inclusion in healthcare education through mentorship, workforce development, academic support and social emotional well-being. We empower students to become leaders who positively impact their communities.
