SRJC HOPE MISSION STATEMENT

The SRJC HOPE (Health Occupation Preparation Education) Program is dedicated to advancing the success of underrepresented and first-generation students pursuing health care careers. We foster a sense of belonging by expanding diversity, equity, and inclusion in healthcare education through mentorship, workforce development, academic support and social emotional well-being. We empower students to become leaders who positively impact their communities.

HEALTH SCIENCES & WORKFORCE DEVELOPMENT WORKSHOPS

● PANEL: OPPORTUNITIES IN HEALTHCARE

HOPE students were invited to meet with healthcare professionals to learn from their experience and gain insight on their pathway.

● NARCAN WORKSHOP

A Narcan workshop was held to educate HOPE students on recognizing opioid overdoses and administering Narcan. Students were given Narcan kits and resources on local support services.

● LINKEDIN WORKSHOP

A LinkedIn Workshop was held to support students in building their professional online presence. Students learned how to create and optimize their LinkedIn profiles, network effectively, & showcase their skills to potential employers.

● STEM & HEALTH SCIENCES CAREER FAIR

A STEM & Health Sciences Career Fair was held to explore career opportunities in STEM & healthcare fields. The event featured a variety of employers, universities, and training programs who shared information about internships & academic pathways.

● HOPE TEAS WORKSHOP SERIES

HOPE offered a 4 part workshop series to help prepare Pre-Nursing students for the nursing school entry exam. Our amazing tutors, Meghan O'leary and Chris Latorre led the Science and Math portions. SRJC EMLS led the English and Reading portion

● RESUME WORKSHOP

A Resume Workshop was held to help students prepare for upcoming job opportunities. During the session, students learned how to create professional resumes, highlight their skills and experiences, and tailor their resumes to healthcare fields.

● SPEED MENTOR NIGHT

HOPE hosted a Speed Mentor Night to connect students with healthcare professionals in the community. Students had the opportunity to meet with mentors in short, timed sessions to ask questions, seek advice, and build their professional networks.
